

Inclusion Means...

Everyone!

The Early Learning Coalition of Santa Rosa County offers free services to families and child care providers to help identify developmental delays. The Coalition also offers information for providers enrolling children with special needs.

Florida Statute 402.3018 mandates the provision of a Warm Line to provide assistance and consultation to child care personnel regarding the inclusion of children with disabilities and special health care needs. The local Warm Line is available to all child care centers and family child care homes. The Warm Line is also available for parents who need assistance regarding child care arrangements or concerns for their children with special needs.
