

## WELCOME TO WEST NAVARRE PRIMARY!

At West Navarre Primary our goal is to provide a nurturing environment that meets the individual needs of each student, both academically and socially. Beyond the rigors of their academic program, it is our aim to install within each student the essential principles of pride, respect, and responsibility so that they will become productive and contributing members of our increasingly global society.

Families, teachers, support staff, community members, and administration all play an important part in helping our students develop academically, socially, and emotionally. Together, we can make a positive difference.

A strong partnership between home and school fosters greater success for our children. As parents, you are your child's first and most influential teacher, and we are excited about working closely with you to help make West Navarre Primary a welcoming and supportive place for our students to succeed.

We are excited for the opportunity to work with you and your child to provide a safe and nurturing student-centered community that fosters respect for individual differences. At West Navarre Primary, we strive to make the learning process a positive and rewarding experience while maintaining a desire to develop a generation of inquisitive young people who will become lifelong students in their various pursuits of excellence.

Mrs. Blalock, Principal, and the entire OBE family!
